# A Horse With No Name

America

Verse 1      **Em**                      **D6add9**  
 On the first part of the journey  
                  **Em**                      **D6add9**  
 I was lookin at all the life  
                  **Em**                      **D6add9**  
 There were plants and birds and rocks and things  
                  **Em**                      **D6add9**  
 There were sand and hills and rings  
  
                  **Em**                      **D6add9**  
 The first thing I met was a fly with a buzz  
                  **Em**                      **D6add9**  
 and the sky with no clouds  
                  **Em**                      **D6add9**  
 the heat was hot and the ground was dry  
                  **Em**                      **D6add9**  
 but the air was full of sound

Chorus      **Em9**                      **Dmaj9**  
 I've been through the desert on a horse with no name  
                  **Em9**                      **Dmaj9**  
 it felt good to be out of the rain  
                  **Em9**                      **Dmaj9**  
 in the desert you can remember your name  
                  **Em9**                      **Dmaj9**  
 'cause there ain't no one for to give you no pain  
                  **Em9 Dmaj9**  
 La la    la la lala la lala  
                  **Em9 Dmaj9**

Verse 2      **Em**                      **D6add9**  
 After two days in the desert sun  
                  **Em**                      **D6add9**  
 my skin began to turn red  
                  **Em**                      **D6add9**  
 After three days in the desert fun  
                  **Em**                      **D6add9**  
 I was looking at a river bed  
                  **Em**                      **D6add9**  
 And the story it told of a river that flowed  
                  **Em**                      **D6add9**  
 made me sad to think it was dead

Chorus      **Em9**                      **Dmaj9**  
 I've been through the desert on a horse with no name  
                  **Em9**                      **Dmaj9**  
 it felt good to be out of the rain

**Em9 Dmaj9**

**Em** **D6add9**  
 Verse 3 After nine days I let the horse run free  
**Em** **D6add9**  
 'cause the desert had turned to sea  
**Em** **D6add9**  
 there were plants and birds and rocks and things  
**Em** **D6add9**  
 there were sand and hills and rings  
**Em** **D6add9**  
 The ocean is a desert with it's life underground  
**Em** **D6add9**  
 and the perfect disguise above  
**Em** **D6add9**  
 Under the cities lies a heart made of ground  
**Em** **D6add9**  
 but the humans will give no love

**Em9** **Dmaj9**  
 Chorus I've been through the desert on a horse with no name  
**Em9** **Dmaj9**  
 it felt good to be out of the rain

# Always look on the bright side of life

Monty Python

Verse 1      **Am**                      **D**                      **G**                      **Em**  
 Some things in life are bad, they can really make you mad  
                  **Am**                      **D**                      **G**  
 Other things just make you swear and curse  
                  **Am**                      **D**  
 When you're chewing on life's gristle  
                  **G**                      **Em**  
 Don't grumble, give a whistle  
                  **Am**                                              **D7**  
 And this'll help things turn out for the best

Chorus      **G**      **Em**              **Am** **D7**      **G** **Em** **Am** **D7**  
 And always look on the bright side of life  
                  **G** **Em**              **Am** **D7**      **G** **Em** **Am** **D7**  
 Always look on the light side of life

Verse 2      **Am**                      **D**                      **G**                      **Em**  
 If life seems jolly rotten, there's something you've forgotten  
                  **Am**                      **D**                      **G**  
 And that's to laugh and smile and dance and sing.  
                  **Am**                      **D**                      **G**                      **Em**  
 When you're feeling in the dumps, don't be silly chumps  
                  **Am**                                              **D7**  
 Just purse your lips and whistle - that's the thing

Chorus      **G**      **Em**              **Am** **D7**      **G** **Em** **Am** **D7**  
 And always look on the bright side of life  
                  **G** **Em**              **Am** **D7**      **G** **Em** **Am** **D7**  
 Always look on the light side of life

Verse 3      **Am**                      **D**                      **G**                      **Em**  
 For life is quite absurd and death's the final word

 You must always face the curtain with a bow  
                  **Am**                      **D**                      **G**                      **Em**

# American Pie

Don McLean

Verse 1

**G D Em**  
A long, long time ago  
**Am C**  
I can still remember how that music used to make me smile.  
**G D Em Am C**  
And, I knew if I had my chance that I could make those people dance,  
**Em C D**  
And maybe they'd be happy for a while  
**Em Am Em Am**  
But February made me shiver, with every paper I'd deliver  
**C G Am C D**  
Bad news on the doorstep; I couldn't take one more step  
**G D Em Am D**  
I can't remember if I cried, when I read about his widowed bride  
**G D Em C D7 G**  
Something touched me deep inside, the day the music died.

Chorus

**G C G D**  
Bye-bye, Miss American Pie  
**G C G D**  
Drove my Chevy to the levy, but the levy was dry  
**G C G D**  
Them good old boys were drinking whiskey and rye, singing...  
**Em A7**  
This will be the day that I die,  
**Em D7**  
This will be the day that I die

Verse 2

**G Am C Am**  
Did you write the Book of Love and do you have faith in God, above?  
**Em D**  
If the Bible tells you so  
**G D Em**  
Now, do you believe in Rock and Roll?  
**Am C**  
Can music save your mortal soul? And...  
**Em A7 D**  
Can you teach me how to dance real slow?  
**Em D Em D**  
Well, I know that you're in love with him, 'cause I saw you dancing in the gym  
**C G A7 C D7**  
You both kicked off your shoes - man, I dig those rhythm and blues  
**G D Em Am C**  
I was a lonely, teenage broncin' buck with a pink carnation and a pickup truck,  
**G D Em C D7 G C G**  
but I knew I was out of luck the day the music died, I started singing...

Chorus

**G C G D**  
Bye-bye, Miss American Pie

Verse 3 **G Am**  
 Now, for ten years we've been on our own  
**C Am**  
 and moss grows fat on a Rolling Stone,

 but That's not how it used to be  
**G D Em Am7 C**  
 When the Jester sang for the king and queen in a coat he borrowed from James Dean  
**Em A7 D**  
 In a voice that came from you and me  
**Em D Em D**  
 Oh, and while the King was looking down the Jester stole his thorny crown  
**C G A7 C D7**  
 The courtroom was adjourned - no verdict was returned  
**G D Em Am C**  
 And while Lennon read a book on Marx the quartet practiced in the park,

Chorus **G C G D**

 Helter Skelter in the summer swelter - the Birds flew off with a fallout shelter  
**Em D**  
 Eight Miles High and falling fast  
**G D Em**  
 It landed foul on the grass  
**Am7 C Em A7 D**  
 The players tried for a forward pass with the Jester on the sidelines in a cast  
**Em D Em D**  
 Now, the halftime air was sweet perfume while Sergeants played a marching tune

**C** **G** **A7** **C** **D7**  
We all got up to dance, oh, but we never got the chance

With no time left to start again

So, come on, Jack be nimble, Jack be quick - Jack Flash sat on a candle stick,

'cause Fire is the Devil's only friend

Ohh... And, as I watched him on the stage my hands were clenched in fists of rage

No angel born in Hell could break that satan's spell

And, as the flames climbed high into the night to light the sacrificial rite, I saw...

Satan laughing with delight the day the music died,       he was singing

# Are You Lonesome Tonight

Elvis Presley

**Dm G7 C G7**

Intro

Verse 1 **C Em Am Am**  
Are you lonesome tonight, do you miss me tonight?

**C C7 F F**  
Are you sorry we drifted apart?

**G G G7 G7**  
Does your memory stray to a brighter summer day

**G7 G7 C C**  
When I kissed you and called you sweetheart?

**C7 C7 F F**  
Do the chairs in your parlor seem empty and bare?

**D D Dm G**  
Do you gaze at your doorstep and picture me there?

**C Em D D**  
Is your heart filled with pain, shall I come back again?

**Dm G7 C G7**  
Tell me dear, are you lonesome tonight.

Verse 2 Talking verses, play the same chords

**C Em Am**  
I wonder if you are lonesome tonight

**Am C**  
You know someone said that the world's a stage

And we each must play a part.

**C7 F F**  
Fate had me playing "in love" with you as my sweetheart.

**G**  
Act one was where we met, I loved you at first glance  
**G7 G7**

You read your line so cleverly and never missed a cue

**G7 G7 C**  
Then came act two, you seemed to change, you acted strange

And why, I've never known.

**C7 C7 F**  
Honey, you lied when you said you loved me  
**F**

And I had no cause to doubt you.

**D7**  
But I'd rather go on hearing your lies

**Dm G**  
Than to go on living without you.

**C Em D**  
Now the stage is bare and I'm standing there

**D Dm**  
With emptiness all around

**G7**  
And if you won't come back to me  
**C** **G7**  
Then they can bring the curtain down.

sing again

**C** **Em** **D** **D**  
Is your heart filled with pain, shall I come back again?

# Atlantis

Donovan

Pre Intro

**C D F C G**

Intro spoken with chords C D F C G in background

**C**

The continent of Atlantis was an island

**D**

Which lay before the great flood

**F**

In the area we now call the Atlantic Ocean.

**C**

**G**

**C**

So great an area of land, that from her western shores

**D**

Those beautiful sailors journeyed to the South

And the North Americas with ease

**F**

**C G**

In their ships with painted sails.

**C**

To the east, Africa was a neighbor,

**D**

**D F**

Across a short strait of sea miles.

The great Egyptian age is but a remnant

**C**

**G**

Of the Atlantean culture.

**C**

The antediluvian kings colonized the world;

**D**

All the Gods who play in the mythological dramas

**D**

**F**

**C G**

In all legends from all lands were from fair Atlantis.

**C**

**D**

Knowing her fate, Atlantis sent out ships to all corners of the Earth.

On board were the Twelve:

**F**

**C**

The poet, the physician, the farmer, the scientist, the magician,

**G**

And the other so-called Gods of our legends,

**C**

Though Gods they were.

**D**

And as the elders of our time choose to remain blind,

**F**

**C**

Let us rejoice and let us sing and dance and ring in the new . . .

**G**

Hail Atlantis!

Verse 1 **A**  
Winding your way down on Baker Street  
**A**  
Lite in your head, and dead on your feet  
**Em G**  
Well another crazy day, you drink the night away  
**D**  
And forget about everything

**A**  
This city desert makes you feel so cold, it's got  
**A**  
So many people but it's got no soul  
**Em G**  
And it's taken you so long to find out you were wrong  
**D**  
When you thought it held everything

Chorus **Dm7 Am**  
You used to think that it was so easy  
**Dm7 Am**  
You used to say that it was so easy  
**C G D**  
But you're tryin, you're tryin now  
**Dm7 Am**  
Another year and then you'd be happy  
**Dm7 Am**  
Just one more year and then you'd be happy  
**C G A F**  
But you're cryin', you're cryin' now

Verse 2 **A**  
Way down the street there's a light in his place  
**A**  
He opens the door, he's got that look on his face  
**Em G**  
And he asks you where you've been, you tell him who you've seen  
**D**  
And you talk about anything

**A**  
He's got this dream about buyin' some land  
**A**  
He's gonna give up the booze and the one night stands

**Em** **G**  
 And then he'll settle down, in some quiet little town  
**D**  
 And forget about everything

Chorus | **Dm7** **Am**  
 But you know he'll always keep moving  
**Dm7** **Am**  
 You know he's never gonna stop moving  
**C** **G** **D**  
 Cause he's rollin', he's the rolling stone  
**Dm7** **Am**  
 And when you wake up it's a new morning  
**Dm7** **Am**  
 The sun is shining it's a new morning  
**C** **G** **A** **F**  
 And you're going, you're going home

# Candle In The Wind

Elton John / Capo 2

**D**  
Verse 1 Goodbye Norma Jean  
**G**  
Though I never knew you at all  
**D**  
You had the grace to hold yourself  
**G**  
While those around you crawled  
**D**

And they whispered into your brain  
**D**  
They set you on the treadmill  
**G**  
And they made you change your name

Chorus

When the rain set in

And I would have liked to have known you

Sittin' in the mornin' sun  
**C** **B** **Bb** **A**  
I'll be sittin' when the evenin' comes  
**G** **B**  
Watching the ships roll in  
**C** **B** **Bb** **A**  
then I watch 'em roll away again yeah

**G** **E**  
I'm sittin' on the dock of the bay  
**G** **E**  
Watching the tide roll away  
**G** **A**  
I'm just sittin' on the dock of the bay  
**G** **E**  
Wastin' time

**G** **B**  
I left my home in Georgia  
**C** **B** **Bb** **A**  
Headed for the 'Frisco bay  
**G** **B**  
Cause I've had nothing to live for  
**C** **B** **Bb** **A**  
And looks like nothin's gonna come my way

**G** **A**  
So I'm just gonna sit on the dock of the bay  
**G** **E**  
Watching the tide roll away oooh  
**G** **A**  
I'm sittin' on the dock of the bay  
**G** **E**  
Wastin' time

**G** **D** **C**  
Looks like nothing's gonna change  
**G** **D** **C**  
Everything still remains the same  
**G** **D** **C** **G**  
I can't do what ten people tell me to do  
**F** **D**  
So I guess I'll remain the same listen

**G** **B**  
Sittin' here resting my bones  
**C** **B** **Bb** **A**  
And this loneliness won't leave me alone

**G** **B**  
It's two thousand miles I roamed  
**C** **B** **Bb** **A**  
Just to make this dock my home

**G** **E**  
Now I'm just gonna sit at the dock of the bay

**G** **E**  
Watching the tide roll away oooh

**G** **A**  
Sittin' on the dock of the bay

 Verse 1 Sommerabend über blühendem Land.  
**D**  
 Schon seit Mittag stand ich am Straßenrand.  
**A** **D**  
 Bei jedem Wagen, der vorüber fuhr, hob ich den Daumen.  
**D**  
 auf einem Fahrrad kam da ein Mädchen her.  
**D**  
 Und sie sagte: "Ich bedaure dich sehr."  
**A** **D**  
 Doch ich lachte und sprach: "Ich brauch keine weichen Daunen"

**G**  
 Refrain Ein Bett im Kornfeld, Das ist immer frei,  
**D**  
 denn es ist Sommer, und was ist schon dabei.  
**A** **D**  
 Die Grillen singen und es duftet nach Heu, wenn ich träume.  
**G**  
 Ein Bett im Kornfeld, zwischen Blumen und Stroh,  
**D**  
 Und die Sterne leuchten mir sowieso  
**A** **D**  
 Ein Bett im Kornfeld mach ich mir irgendwo ganz alleine.

**D**  
 Verse 2 Etwas später lag ihr Fahrrad im Gras,  
**D**  
 Und so kam es, dass sie die Zeit vergass,  
**A** **D**  
 Mit der Gitarre hab ich ihr erzählt von meinem Leben.  
**D**  
 Auf einmal rief sie "Es ist höchste Zeit,  
**D**  
 schon ist es dunkel und mein Weg ist noch Weit"  
**A** **D**  
 Doch ich lachte und sprach: "Ich hab dir noch viel zu geben".
