Intro D7sus4

Verse 1 It's been a hard day's night and I've been working like a dog

# Always look on the bright side of life

Monty Python

Verse 1      **Am**                      **D**                      **G**                      **Em**  
 Some things in life are bad, they can really make you mad  
                  **Am**                      **D**                      **G**  
 Other things just make you swear and curse  
                  **Am**                      **D**  
 When you're chewing on life's gristle  
                  **G**                      **Em**  
 Don't grumble, give a whistle  
                  **Am**    **D7**  
 And this'll help things turn out for the best

Chorus      **G**      **Em**              **Am**      **D7**      **G**      **Em**      **Am**      **D7**  
 And always look on the bright side of life  
                  **G**      **Em**              **Am**      **D7**      **G**      **Em**      **Am**      **D7**  
 Always look on the light side of life

Verse 2      **Am**                      **D**                      **G**                      **Em**  
 If life seems jolly rotten, there's something you've forgotten  
                  **Am**                      **D**                      **G**  
 And that's to laugh and smile and dance and sing.  
                  **Am**                      **D**                      **G**                      **Em**  
 When you're feeling in the dumps, don't be silly chumps  
                  **Am**    **D7**  
 Just purse your lips and whistle - that's the thing

Chorus      **G**      **Em**              **Am**      **D7**      **G**      **Em**      **Am**      **D7**  
 And always look on the bright side of life  
                  **G**      **Em**              **Am**      **D7**      **G**      **Em**      **Am**      **D7**  
 Always look on the light side of life

Verse 3      **Am**                      **D**                      **G**                      **Em**  
 For life is quite absurd and death's the final word  
                  **Am**                      **D**                      **G**  
 You must always face the curtain with a bow  
                  **Am**                      **D**                      **G**                      **Em**  
 Forget about your sin - give the audience a grin  
                  **Am**    **D7**  
 Enjoy it - it's your last chance anyhow.

Chorus      **G**      **Em**              **Am**      **D7**      **G**      **Em**      **Am**      **D7**  
 So always look on the bright side of death  
                  **G**      **Em**              **Am**                      **D7**      **G**      **Em**      **Am**      **D7**  
 Just before you draw your terminal breath

Verse 4      **Am**                      **D**      **G**                      **Em**  
 Life's a piece of shit when you look at it  
                  **Am**                      **D**                      **G**  
 Life's a laugh and death's a joke, it's true  
                  **Am**                      **D**  
 You'll see it's all a show

**G**                      **Em**  
 Keep 'em laughing as you go

Verse 1    **G   D   Em**  
A long, long time ago  
          **Am           C                   Em                   D**  
I can still remember how that music used to make me smile.  
          **G           D           Em                   Am                   C**  
And, I knew if I had my chance that I could make those people dance,

And maybe they'd be happy for a while  
**Em                   Am                   Em                   Am**  
But February made me shiver, with every paper I'd deliver  
**C           G           Am           C                   D**  
Bad news on the doorstep; I couldn't take one more step  
          **G           D           Em                   Am                   D**  
I can't remember if I cried, when I read about his widowed bride

# Are You Lonesome Tonight

Elvis Presley

**Dm G7 C G7**

Intro

Verse 1 **C** **Em** **Am** **Am**  
Are you lonesome tonight, do you miss me tonight?

**C** **C7** **F F**  
Are you sorry we drifted apart?

**G** **G** **G7** **G7**  
Does your memory stray to a brighter summer day

**G7** **G7** **C** **C**  
When I kissed you and called you sweetheart?

**C7** **C7** **F** **F**  
Do the chairs in your parlor seem empty and bare?

**D** **D** **Dm** **G**  
Do you gaze at your doorstep and picture me there?

**C** **Em** **D** **D**  
Is your heart filled with pain, shall I come back again?

**Dm** **G7** **C** **G7**  
Tell me dear, are you lonesome tonight.

Verse 2 Talking verses, play the same chords

**C** **Em** **Am**  
I wonder if you are lonesome tonight

**Am** **C**  
You know someone said that the world's a stage

And we each must play a part.

**C7** **F** **F**  
Fate had me playing "in love" with you as my sweetheart.

**G**  
Act one was where we met, I loved you at first glance

**G7** **G7**  
You read your line so cleverly and never missed a cue

**G7** **G7** **C**  
Then came act two, you seemed to change, you acted strange

And why, I've never known.

**C7** **C7** **F**  
Honey, you lied when you said you loved me

**F**  
And I had no cause to doubt you.

**D7**  
But I'd rather go on hearing your lies

**Dm** **G**  
Than to go on living without you.

**C** **Em** **D**  
Now the stage is bare and I'm standing there

**D** **Dm**  
With emptiness all around

**G7**  
And if you won't come back to me  
**C** **G7**  
Then they can bring the curtain down.

sing again

**C** **Em** **D** **D**  
Is your heart filled with pain, shall I come back again?

**C**

The continent of Atlantis was an island

Which lay before the great flood

**F**

In the area we now call the Atlantic Ocean.

**C**

**G**

**C**

So great an area of land, that from her western shores

**D**

Those beautiful sailors journeyed to the South

And the North Americas with ease

**F**

**C G**

In their ships with painted sails.

**C**

To the east, Africa was a neighbor,

**D**

**D F**

Across a short strait of sea miles.

The great Egyptian age is but a remnant

**C**

**G**

Of the Atlantian culture.

**C**

The antediluvian kings colonized the world;

**D**

All the Gods who play in the mythological dramas

**D**

**F**

**C G**

In all legends from all lands were from fair Atlantis.

**C**

**D**

Knowing her fate, Atlantis sent out ships to all corners of the Earth.

On board were the Twelve:

**F**

**C**

The poet, the physician, the farmer, the scientist, the magician,

**G**

And the other so-called Gods of our legends,

**C**

Though Gods they were.

**D**

And as the elders of our time choose to remain blind,

**F**

**C**

Let us rejoice and let us sing and dance and ring in the new . . .

**G**

Hail Atlantis!

# Ein Bett im Kornfeld

Jürgen Drews

**D**  
Verse 1 Sommerabend über blühendem Land.  
**D**  
Schon seit Mittag stand ich am Straßenrand.  
**A** **D**  
Bei jedem Wagen, der vorüber fuhr, hob ich den Daumen.  
**D**  
auf einem Fahrrad kam da ein Mädchen her.  
**D**  
Und sie sagte: "Ich bedaure dich sehr."  
**A** **D**  
Doch ich lachte und sprach: "Ich brauch keine weichen Daunen"

**G**  
Refrain Ein Bett im Kornfeld, Das ist immer frei,  
**D**  
denn es ist Sommer, und was ist schon dabei.  
**A** **D**  
Die Grillen singen und es duftet nach Heu, wenn ich träume.  
**G**  
Ein Bett im Kornfeld, zwischen Blumen und Stroh,  
**D**  
Und die Sterne leuchten mir sowieso  
**A** **D**  
Ein Bett im Kornfeld mach ich mir irgendwo ganz alleine.

**D**  
Verse 2 Etwas später lag ihr Fahrrad im Gras,  
**D**  
Und so kam es, dass sie die Zeit vergass,  
**A** **D**  
Mit der Gitarre hab ich ihr erzählt von meinem Leben.  
**D**  
Auf einmal rief sie "Es ist höchste Zeit,  
**D**  
schon ist es dunkel und mein Weg ist noch Weit"  
**A** **D**  
Doch ich lachte und sprach: "Ich hab dir noch viel zu geben".

**G**

# Hallelujah

Jeff Buckley

**C Am C Am**

Intro

Verse 1 I heard there was a secret chord  
That David played and it pleased the lord  
But you don't really care for music, do you?  
Well it goes like this the fourth, the fifth  
The minor fall and the major lift  
The baffled king composing hallelujah

Chorus  
Hallelujah, hallelujah,  
hallelujah, hallelu-u-u-u-jah ....

Verse 2 Well your faith was strong but you needed proof  
You saw her bathing on the roof  
Her beauty and the moonlight overthrew you  
She tied you to her kitchen chair  
She broke your throne and she cut your hair  
And from your lips she drew the hallelujah

Chorus  
Hallelujah, hallelujah,  
hallelujah, hallelu-u-u-u-jah ....

Verse 3 Baby I've been here before  
I've seen this room and I've walked this floor  
I used to live alone before I knew you  
I've seen your flag on the marble arch  
But love is not a victory march  
It's a cold and it's a broken hallelujah

Chorus | **F** **Am**  
Hallelujah, hallelujah,  
**F** **C** **G** **C** **G**  
hallelujah, hallelu-u-u-u-jah ....

Verse 4 **C** **Am**  
Well there was a time when you let me know  
**C** **Am**  
What's really going on below  
**F** **G** **C** **G**  
But now you never show that to me do you  
**C** **F** **G**  
But remember when I moved in you  
**Am** **F**  
And the holy dove was moving too  
**G** **E7** **Am**  
And every breath we drew was hallelujah

Chorus | **F** **Am**  
Hallelujah, hallelujah,  
**F** **C** **G** **C** **G**  
hallelujah, hallelu-u-u-u-jah ....

Verse 5 **C** **Am**  
Well, maybe there's a god above  
**C** **Am**  
But all I've ever learned from love  
**F** **G** **C** **G**  
Was how to shoot somebody who outdrew you  
**C** **F** **G**  
It's not a cry that you hear at night  
**Am** **F**  
It's not somebody who's seen the light  
**G** **E7** **Am**  
It's a cold and it's a broken hallelujah

I'm a thousand miles away, But girl tonight you look so pretty,

**Bm G A Bm**  
Yes you do, Time Square can't shine as bright as you,  
**A**

I swear it's true.

**D F#m**  
Hey there Delilah, Don't you worry about the distance,

**D F#m**  
I'm right there if you get lonely, Give this song another listen,  
**Bm G A Bm**

Close your eyes, Listen to my voice it's my disguise,  
**A**  
I'm by your side.

Chorus

**D Bm D Bm A**  
Oh it's what you do to me, Oh it's what you do to me,

**D Bm D Bm**  
Oh it's what you do to me, Oh it's what you do to me,

**D**  
What you do to me.

**D F#m**

Verse 2 Hey there Delilah, I know times are getting hard,

**D F#m**  
But just believe me girl some day, I'll pay the bills with this guitar,

**Bm G A Bm**  
We'll have it good, We'll have the life we knew we would,  
**A**

My word is good.

**D F#m**  
Hey there Delilah, I've got so much left to say,

**D F#m**  
If every simple song I wrote to you, Would take your breath away,

**Bm G A Bm**  
I'd write it all, Even more in love with me you'd fall,  
**A**

We'd have it all.

Chorus

**D Bm D Bm A**  
Oh it's what you do to me, Oh it's what you do to me,

**D Bm D Bm A**  
Oh it's what you do to me, Oh it's what you do to me,

**G A**

Bridge A thousand miles seems pretty far, But they've got planes and trains and cars,

**D** **Bm**  
 I'd walk to you if I had no other way  
**G** **A**  
 Our friends would all make fun of us, And we'll just laugh along because,  
**D** **Bm**  
 We know that none of them have felt this way,  
**G** **A**  
 Delilah I can promise you, That by the time that we get through,  
**Bm** **A**  
 The world will never ever be the same, And you're to blame.

**D** **F#m**  
 Verse 3 Hey there Delilah you be good, And don't you miss me,

 There were voices down the corridor,

ich komm sehr gut zurecht.  
Kannst ruhig glauben, all die andern Frauen,  
die sind auch nicht schlecht.
