River Of Dreams

Billy Joel

Chorus

In the middle of the night I go walking in my sleep
From the mountains of faith to the river so deep
I must be looking for something, something sacred I lost
But the river is wide and it's too hard to cross

Verse 1

Even though I know the river is wide
I walk down every evening and I stand on the shore
I try to cross to the opposite side
So I can finally find out what I've been looking for

Chorus

In the middle of the night I go walking in my sleep
Through the valley of fear to a river so deep
I've been searching for something taken out of my soul
Something I could never lose, something somebody stole

Verse 2

I don't know why I go walking at night
But now I'm tired and I don't wanna walk anymore
I hope it doesn't take the rest of my life
Until I find what it is I've been looking for

Chorus

In the middle of the night I go walking in my sleep
Through the jungle of doubt to the river so deep
I know I'm searching for something, something so undefined
That it only can be seen by the eyes of the blind
In the middle of the night

Verse 3

Not sure about a life after this

C **Bm**
God knows I've never been a spiritual man
C **Bm** **A7**
Baptized by fire, I wade into the river
D
That is runnin' through the promised land

Chorus

In the middle of the night I go walking in my sleep

This following program is dedicated
to the city and people of San Francisco,
who may not know it but they are beautiful
and so is their city.

This is a very personal song,
so if the viewer cannot understand it
particularly those of you who are European residents
save up all your bread and fly trans love airways
to San Francisco U.S.A..

Then maybe you'll understand the song.
It will be worth it.
If not for the sake of this song
but for the sake of your own peace of mind.

Verse 4 Fools said I, you do not know
Silence like a cancer grows.

Hear my words that I might teach you,
 Take my arms that I might reach you.
 But my words like silent raindrops fell,
 And echoed
 In the wells of silence

Verse 5 And the people bowed and prayed
 To the neon God they made.
 And the sign flashed out its warning,
 In the words that it was forming.
 And the sign said, the words of the prophets
 Are written on the subway walls
 And tenement halls.
 And whisper'd in the sounds of silence.

D **C**
I've been around for a long, long year
G **D**
Stole many a man's soul and faith

D **C**
And I was 'round when Jesus Christ
G **D**
Had his moment of doubt and pain
C
Made damn sure that Pilate
G **D**
Washed his hands and sealed his fate

A
Pleased to meet you
D
Hope you guess my name
A
But what's puzzling you
G **D**
Is the nature of my game

D **C**
I stuck around St. Petersburg
G **D**
When I saw it was a time for a change
C
Killed the Czar and his ministers
G **D**
Anastasia screamed in vain

D
I rode a tank
C
Held a general's rank
G
When the Blitzkrieg raged
D
And the bodies stank

A
Pleased to meet you
D
Hope you guess my name

A
 But what's puzzling you
G **D**
 Is the nature of my game
D
 I watched with glee
C
 While your kings and queens
G
 Fought for ten decades
D
 For the Gods they made
D
 I shouted out
C
 "Who killed the Kennedys?"
G
 When after all
D
 It was you and me
D **C**
 Let me please introduce myself
G **D**
 I'm a man of wealth and taste
C
 And I laid traps for troubadours
G **D**
 Who get killed before they reached Bombay
A
 Pleased to meet you
D
 Hope you guess my name
A
 But what's puzzling you
G **D**
 Is the nature of my game
 oh yeah, get down, baby
 solo
A
 Pleased to meet you
D
 Hope you guess my name
A
 But what's puzzling you

G D

Is the nature of my game

D C

Just as every cop is a criminal

G D

And all the sinners saints

As heads is tails

C

Just call me Lucifer

G D

'Cause I'm in need of some restraint

D

So if you meet me

C

Have some courtesy

G D

Have some sympathy, and some taste

C

Use all your well-learned politesse

G D

Or I'll lay your soul to waste, um yeah

A

Pleased to meet you

D

Hope you guess my name

A

But what's puzzling you

G D

Is the nature of my game
